NATIONAL ENGINEERING FIELD HANDBOOK  
NEH 210-VI  
PART 650, MN Notice 19

SUBJECT: ENG – NEH PART 650, ENGINEERING FIELD HANDBOOK (EFH)

Purpose: To issue a revised page of Minnesota supplement Ch. 17, Appendix 2 Preapproved Plans.

Effective Date: Effective upon receipt

Explanation:

This notice removes the Pan-L Bilt Manure Storage Facility from the Minnesota EFH supplement; “Approved Standard Plans for Manure Storage Structures.”

Filing Instructions:

Remove: Minnesota supplement page 17-67, titled, PAN-L BILT MANURE STORAGE FACILITY.

Insert: Minnesota supplement page 17-67, “Blank page”

The revised Minnesota supplement to the EFH can be found at [http://www.nrcs.usda.gov/wps/portal/nrcs/detail/mn/technical/?cid=nrcs142p2\\_023722](http://www.nrcs.usda.gov/wps/portal/nrcs/detail/mn/technical/?cid=nrcs142p2_023722) under Chapter 17, Appx2 Preapproved Plans. Paper versions of the supplement will not be distributed. Field staff should contact their Area Engineer for engineering policy questions.
